Proposal Guidelines for Students

The Explorers Club “is an international multidisciplinary professional society dedicated to the advancement of field research and the ideal that it is vital to preserve the instinct to explore. Since its inception in 1904, the Club has served as a meeting point and unifying force for explorers and scientists worldwide. Our headquarters is located at 46 East 70th Street in New York City.”

The Southern Florida Chapter of The Explorers Club, Inc. is offering grants of US $1,000 - $2,500 for projects that meet the Club's mission described above. Funds must be used only for field-based components of a marine Science research project that is already underway and leading to a Master of Science or Ph.D. degree (proposal accepted, and some data acquired). No laboratory, museum or library work, conference travel, or publication costs will be considered. A summary report will be required. The entire proposal should be no more than two pages (12-point Times New Roman; 1-inch margins all around) and include the following:

The Explorers Club Southern Florida Chapter Research Proposal

I. Applicant name, permanent address, phone number, and email address

II. Name and signature of academic advisor. Include advisor’s academic address, office phone number and email address

III. Project title

IV. Project summary

V. Current status of research

VI. Need for funding and how it will be put to use (see guidelines above)

VII. Brief budget

Grants will be awarded from now until November 30, 2021. Please submit your proposal to your academic advisor, who should forward the advisor-approved proposals to me:

Rosemarie W. Twinam, MN’90, Chapter Treasurer
